

Hands-on Science Showcase!

Discovery Museum Science & Space Center

Visitors 18 and under
receive Science Passports and
participation pins!

Saturday & Sunday
December 8th & 9th
12:30 –4pm
(Different scientists each day!)

Meet 11 real scientists and
learn about their research with
fun hands-on activities!

The Science Showcase is presented as a part of the Powerhouse Science Center Science Communication Fellows program. Young scientists enroll in the program to learn how to present their research to the public as easy-to-understand games and activities. All activities included with general admission.
